Welcome!

Thank you for supporting the 4th Annual Ohio Made Holiday Market. The market began in 2016 and received an outpouring of support from shoppers. Thousands came to shop and waited in line to step inside the magical destination featuring all Ohio Made products. Before the first event ended, Ohio Made had outgrown its very first venue.

A trip to the Holiday Market is always a favorite Holiday shopping destination. The Holiday Market features 80+ one-of-a-kind boutiques and specialty small businesses from right here in Ohio. The Hollywood Casino Columbus makes the event a unique destination with endless activities available. Choose from unparalleled selection of home decor, specialty clothing and one-of-a-kind finds, plus enjoy fine dining at the Hollywood Casino or a cocktail from one of our two bars. Make sure to snap a selfie with Santa as he walks around greeting shoppers. The Ohio Made Holiday Market is not just a craft event, it's a Shopping Party. Come out for a girls night, date night, or just a fun getaway. You're sure to find something you love.

Each year Ohio Made strives to improve the event based on customer feedback. Over the years we've added a second day, larger walkways, and larger vendors displays, all to make shopping local easier. We hope you find all the perfect gifts for your loved ones and maybe a few for yourself! Enjoy your Ohio Made experience & thank you for shopping Ohio Made this holiday season!
